Papa's Cheesecake

Papa's famous cheesecake made with layers of sweet butter cream, fresh strawberries & whitecake

Century Of Cherished Tradition

An artist gets inspired and expresses their passion through paintings or sculptures.

Peter Tsididis a.k.a "PAPA" found a way to express his "Art".

It all started 50 years ago WHEN Papa sat down at the table with a single napkin, he sculpted his famous Cheesecake. Even to this day, 50 years later, he carries that napkin in his wallet.

It is his 'signature' for the pride and commitment to his culinary career and Papa's Cheesecake.

And to this day, he has not even shared his secret recipe with anyone in the family.

From the moment you take the first bite of Papa's 'handmade' Cheesecake, a century of family tradition embraces you. Papa's Cheesecake truly expresses his passion for fine foods that comes from a cherished family legacy.

Papa's Credo

A century of cherished family tradition & honor goes into every Papa's handmade cheesecake. Made fresh using "Farm-to-Cheesecake" highest quality, fresh raw ingredients. No preservatives or processed foods.

Every cheesecake is handmade wholesomeness, flavorful & fresh! compared to the "Factory-made" high volume produces & negative effects of long-term freezing & storage. No compromise...Papa's culinary career signature for his 50-Years of Cheesecake Perfection!
